AMON, United States District Judge:

The Court has received the Report and Recommendation (“R&R”) of the Honorable Steven M. Gold, United States Magistrate Judge, recommending that default judgment be entered against Andre Villeroi as to the claims asserted against him by defendants and third-party plaintiffs Thomas Lawson and Tutis Capital LLC. (See D.E. # 176.)

No party has objected to the R&R, and the time for doing so has passed. When deciding whether to adopt a report and recommendation, a district court “may accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge.” 28 U.S.C. § 636(b)(1). To accept those portions of the R&R to which no timely objection has been made, “a district court need only satisfy itself that there is no clear error on the face of the record.” Jarvis v. N. Am. Globex Fund, L.P., 823 F. Supp. 2d 161, 163 (E.D.N.Y. 2011) (internal quotation marks and citation omitted).
